

Midwest Heart Specialists now has the ability to communicate information to you via secure email. If you would like to receive test results and/or other information from Midwest Heart Specialists by email, please make sure we have your email address by filling out form below and returning to Front Desk staff.

When you receive an email from Midwest Heart Specialists you will see a message like this:

From: "results@midwestheart.com"

To: (your email address)

You have received a Secure Message from Midwest Heart Specialists: results@midwestheart.com

You will receive instructions to click a link.

You will then receive instructions to create a passphrase which you will need to use when opening this and future messages from Midwest Heart Specialists.

IMPORTANT NOTE:

You will not be able to reply to emails sent from results@midwestheart.com. If you need to speak to your physician or office staff, you will need to call the Midwest Heart Specialists office where you are seen.
